

◆◆◆ Smart Count

◆◆ Fast Count

◆ Basic Count

◆ Simple Weighing

Easy to Use. All the necessary functions for efficient counting are available at your fingertips with this Fast Count scale. Large, well marked keys with user-friendly tactile feedback and one key / one function operation make this the scale of choice in its class. By following the prompts on the LED screen, users will be guided through the counting process with ease. Train anyone in 60 seconds!

Rugged Quality. This leading counting scale features durable die-cast aluminum housing with stainless steel weighing pan and adjustable feet. Designed with the industrial environment in mind, it features no edges or grooves for easy cleaning!

VIPER

Simple Connectivity. Connecting your Viper scale to your ERP or inventory control system has never been easier. You can also connect any other METTLER TOLEDO scale with a Viper counting scale, from 0.00005 lb to 12000 lb.
