# **Comparator Services**

# **Professional Expertise**

Lifetime Accuracy Maximized Uptime Cost Effective

# Worldwide Coverage

# For Worry-free Operation

# **Maximum Productivity** With Lifetime Peak Performance

Take advantage of our worldwide services to ensure you get the most out of your mass comparator. You can ensure accurate results, full traceability and worry-free operation thanks to our comprehensive service solutions which can be individually tailored to meet your specific needs. Our specially trained engineers provide you with the highest level of service so that you benefit from:

- Assured continuous accuracy
- Maximum equipment uptime
- Cost effective service solutions

### Installation

Professional installation ensures your comparator is optimized to your applications and performs according to specifications. Onsite operator training and an installation certificate are included.

### Maintenance

Your comparator is realigned to our manufacturing specifications to maintain quality standards. It is cleaned and any worn-out parts replaced. On-demand and regular plans are available.

### Support and Repair

Our technical support staff is available by phone to assist you with operational queries. We can also visit you on-site for 1:1 consultations. Any repairs required are carried out by our trained technical specialists using only original parts.

Examples of	Installation of:	Ma
Services	Automatic Mass Comparator	• A
	Robotic Mass Comparator	• R
	Vacuum Mass Comparator	• V

- Manual Mass Comparator

## aintenance of:

- Automatic Mass Comparator
- Robotic Mass Comparator
- acuum Mass Comparator
- Manual Mass Comparator
- Telephone Helpline
- On-site Support
- Adjustment and Repair

### **Education and Training**

Individually customizable to meet your needs, our classroom and on-the-job training courses ensure your whole comparator team is proficient and confident. Ideal for metrologists, lab managers, supervisory and operations personnel.

- User Training
- Maintenance Instruction
- Technical Seminars
- Metrology Know-how

### Relocation

Specially trained technical specialists prepare, supervise the transfer and install your comparator in a new on-site location. A relocation certificate and final system performance test are included.

- On-site Comparator Relocation
- Final System Performance Test
