OIML Certificate N° R76/1992-NL1-05.06 revision 1

OIML Member state The Netherlands

Project number 805673 Page 2 of 2

This Certificate attests the conformity of the above identified type (represented by the sample or samples identified in the associated Test Report, the type-approval certificate and the description

with number T6361 and the appertaining documentation folder) with the requirements of the following Recommendation of the International Organization of Legal Metrology (OIML):

R76

Edition 1992 (E)

for accuracy class (1)

This Certificate relates only to the metrological and technical characteristics of the type of instrument covered by the relevant OIML Recommendation identified above.

This Certificate does not bestow any form of legal international approval.

The conformity was established by the results of tests and examinations provided in the associated Test Report:

N° R76/1992-NL1-03.55 that includes 39 pages; N° R76/1992-NL1-05.06 that includes 38 pages.

This revision replaces the earlier version.

The Issuing Authority Ing. C. Obsterman

Manager Product Certification

18 June 2008

Important note: Apart from the mention of the Certificate's reference number and the name of the OIML Member State in which the Certificate is issued, partial quotation of the Certificate and of the associated Test Report is not permitted, although either may be reproduced in full.
