Estimating Scale

Compact Design

Easy to Use and Read

METTLER TOLEDO

Simple, Quick, Easy to Use

- Easy to Read Dial
- Ideal for Produce and Bulk Foods
- Attractive Chrome and Stainless Steel Construction
- Provides an Important Service for your Customers
- Quick and Simple Installation

The Model 2114 mechanical hanging scale allows a customer to quickly estimate the weight of their food purchases before reaching the checkout. It is ideally suited for produce, bulk foods, or any other area where weight estimates are required for customer satisfaction.

The Model 2114 features a chrome-plated steel housing and an easy-to-read 9" dial face. The stainless steel pan provides long-term environmental protection and superior aesthetic value. The pan is easily removed from the hanger for cleaning.
